

2016 AGM Catering Committee Report

On behalf of the Catering Committee, Sue Beales, Trish Hall and myself, I am happy to report another social and financially good year.

Winter Food Evenings have been enjoyed by our members, and often their friends too, and we have been fortunate to have had the help of other members of the club and also 'washers up' in the kitchen. This has been a tremendous help and to them a big thank you.

The monthly Quiz Evenings, hosted and prepared by Quiz Master Mary Harris, have proved to be very popular and successful and thanks go to Mary for the sterling work she does in preparation for the evenings.

Then there are Saturday tea & cakes and other events - Finals Day lunches, President's Day tea etc which the Committee organise. Towards the end of the 2015 season a Saturday tea rota has been introduced which we hope will be continued in the coming year.

Very importantly we must not forget the Bar Stewards who make many of these activities possible and enjoyable.

Thank you to all who volunteer in this way and to all who support our functions, either by attending, giving their time or help for without them we would not be successful.

Let us hope for a good year in 2016.
